Do they know a time when the Gaultcha  
water hole was dry? All talk at once. They  
never knew it to be dry. Gaultcha water  
hole was ~~made~~<sup>enlarged</sup> by Hereros. Get stop this  
since then it never got dry.  
They say David Venter. (Ledimo calls Venter Gurundi.  
fa David) enlarged hole. Herero's lived here  
& at Debbo<sup>ora</sup>agu & other place. Gas med  
was already a grown man. Gas say was still  
young. The camels came after Venter dug  
the hole.
