881. The hair cuts are only for decoration & fun. None a married man could use which an unmarried one could not - for instance. There is one that can be used only by men who has choama. The women of the choama cut <sup>below</sup> ~~to~~ crown of head a little below - leave a bunch in back. Back of ears. Qui says his was not a choama cut. Choama would cut. / Qui's is ~~left~~ to his ears in. Choama would be less. Not left a far as ears. The old men tie copper bead on the back hair. Qui says they look very beautiful. |

gu na. Debe's gu na died by the fire of the hair. They heard they heard from the med. man. The fire is Ka Kani's fire. The doctor did not say the name, the person who did it. Any one could make the fire against some one he hated.

A medicine man would not. He is so full up of curing medicine he could not kill anyone by making the fire. ~~He is~~

Try again. He has the power to see that the fire is being made & to know who made it.

They hide the hair - being - when no one sees. That is why they keep babies' hair in a bag.

About Zuma. What happened. Zuma was with her husband, so 'i does not know. Did she hear if it was her hair or finger nats? She heard about the fire. It began in her stomach. Some body made it. She had a bump in her stomach. The med. man did not say who made the fire.

What kind of a reason could there be for making the fire against some one. The reason why they killed Zuma - the Karosses which Zuma's husband got Zuma did not give to the husband's people. Zuma gave to her mother and sister. So the husband's people were jealous. This makes a very bad feeling between the families.

<sup>Gai shay</sup>  
I <sup>gase</sup> is surprise

Did Zuma's family do anything against her husband's family? They were very far. They did not even make any speeches. Zuma's husband's people were far.

You must have the hair & fingers to make the fire. Then the fire would go into the person.

Are there some who have more power than others to make the fire. Yes. Some might be weak to make the fire. In that case the medicine man could take the fire out. Others who have strong power can make such strong fire that the med. man cannot cure it.

If some one who has strong power is related you can ask him to make the fire for you. The ones who have <sup>strong</sup> power are all dead. So now if they have an enemy there is nothing they can do.

Gas was very famous in this. People were afraid of him. Is he the one who got the quaffe dance? No. Not the same.

Women can not make this fire. as to ques.
